Annual Update for 2018 and Annual Appeal for Donations

In our 20th year of creating artistic jobs
for youth and art for the community,
we are asking for your support.

2018 was a year impacted by the previous fall wildfires,
a year spent in recovery, rebuilding and rebirth.

Under Creative Director Jennifer Mygatt Tatum and a committed board,
ArtStart has experienced it's own ArtStart Restart.

This year saw the rebuilding of our facilities as our old warehouse was condemned;
two new Tuff Sheds were installed as our new Kiln Room and Paint Room.
Thank you to everyone who donated and kept our Summer Program an ongoing success with this year
having 15 talented young artists from our community
participating and receiving scholarships.
With the numerous commissions, grants and donations, we have been able to complete over a dozen
community and public art projects for 2018.

Current projects include "Art on the Streets for Cleaner Creeks" and a mural at the Rohnert Park Senior
Center. We are planning to continue our program through the winter this year, and future funding and
your support is critical.

Individual contributions and commissions are the lifeline of our programs.

One of the ways you can participate is by becoming a member of the ArtStart Patron Club.
All contributors are invited to join us in celebrating the creative work of our talented young artists by
attending our Holiday Party for Art (invitation enclosed).

Your tax-deductible contribution
will make a difference to our young artists and the community.

I will join the ArtStart PATRON CLUB \$ _____
Thank you for your generous donation
I will attend the ArtStart Party on December 1 _____
Reservations not required-see invite attached
